

Doctoral School of Law Enforcement
Title of the Research Topics
2021/2022

**01. GENERAL LAW ENFORCEMENT THEORY, HISTORY OF LAW ENFORCEMENT,
NATIONAL SECURITY AND LAW ENFORCEMENT RESEARCH FIELD**

Head of the research field: Prof. Dr. András Pap

1. Relationship between administrative and law enforcement law
Supervisor: Dr. habil. Balla Zoltán PhD, university docens
2. Primary and secondary manifestations of law enforcement activities, with particular reference to police and national security tasks
Supervisor: Dr. habil. Balla Zoltán PhD, university docens
3. History, theoretical and practical issues of law enforcement
Supervisor: Dr. habil. Boda József PhD, university docens
4. History and activities of national security services
Supervisor: Dr. habil. Boda József PhD, university docens
5. Criminal policy and law enforcement
Supervisor: Prof. Dr. Finszter Géza DSc, professor emeritus
6. Administrative penal law
Supervisor: Dr. Hollán Miklós PhD, university docens
7. Administrative law enforcement and sanctioning policies
Supervisor: Prof. Dr. Kis Norbert PhD, university tanár
8. Theoretical and practical issues in the development of disaster management's operation management system
Supervisor: Dr. habil. Kuti Rajmund PhD
9. The process from the rule of army to the rule of law in policing
Supervisor: Dr. Major Róbert PhD, university docens
10. Outsourcing police powers
Supervisor: Prof. Dr. Pap András László DSc, university tanár
11. Law enforcement challenges in the digital era
Supervisor: Prof. Dr. Pap András László DSc, university tanár
12. Current constitutional and human rights issues in law enforcement
Supervisor: Prof. Dr. Pap András László DSc, university tanár
13. Law enforcement bodies of the bourgeois Hungarian state
Supervisor: Dr. Parádi József CSc
14. History of law enforcement and some law enforcement agencies
Supervisor: Prof. Dr. Sallai János PhD, university tanár
15. Law enforcement aspects of the special rule of law
Supervisor: Dr. Simicskó István PhD, magántanár

16. Cooperation between public and private security bodies
Supervisor: Dr. Christián László PhD, university docens
17. The place and role of tax and customs administration in law enforcement administration
Supervisor: Dr. Szabó Andrea PhD, university docens
18. European / international dimensions of tax and customs administration in the field of law enforcement
Supervisor: Dr. Szabó Andrea PhD, university docens
19. Comparison of national and international law enforcement training, development opportunities.
Supervisor: Dr. Molnár Katalin PhD, university docens

Supervisor: Prof. Dr. Kerezsi Klára DSc, university tanár
21. The history of the Hungarian law enforcement, army and secret services between 1867-1990
Supervisor: Dr. Kovács Tamás PhD
22. Structure and development of basic and post-graduate training systems of law enforcement agencies in Hungary and in the European Union
Supervisor: Dr. Gubicza József PhD, university docens

02. SPECIALIZED FIELDS OF LAW ENFORCEMENT, RESEARCH FIELD THE INTERNATIONAL AND EUROPEAN UNION ASPECTS OF LAW ENFORCEMENT

Head of the research field: Prof. Dr. Sallai János PhD

1. The security enhancement effect of biometrics in identification of persons in law enforcement
Supervisor: Dr. Balla József PhD
2. The National Security Police
Supervisor: Dr. habil. Balla Zoltán PhD, university docens
3. Opportunities for developing disaster management training at the National University of Public Service
Supervisor: Prof. Dr. Bleszity János CSc, university tanár
4. Impact of the organizational changes on the fire protection system following the establishment of a unified state disaster management system
Supervisor: Prof. Dr. Bleszity János CSc, university tanár
5. Complementary law enforcement system: place, role, and importance of non-Police law enforcement, private security, municipal law enforcement and civilian crime prevention
Supervisor: Dr. Christián László PhD, university docens
6. The place and role of civic self-protection in the disaster management system of the 21st century
Supervisor: Dr. habil. Endródi István PhD, university docens

7. The criminalistics of forensic intelligence gathering
Supervisor: Prof. Dr. Finszter Géza DSc, professor emeritus
8. Principles, procedures, organizational frameworks, institutions of law enforcement activities in normal and special rule of law periods, and law enforcement training in Hungary and abroad
Supervisor: Prof. Dr. Fórizs Sándor CSc, university tanár
9. Management and logistics of law enforcement bodies; Engineering and IT-theory of law enforcement
Supervisors: Prof. Dr. Fórizs Sándor CSc, university tanár
a. Dr. Zsigovits László PhD
10. Analyzing the fundamental changes of disaster management tasks
Supervisor: Dr. habil. Grósz Zoltán PhD, university docens
11. Interconnection of migration, asylum and border management in the European Union, its role in the Schengen border control system
Supervisors: Dr. Gubicza József PhD, university docens
a. Görbe Attiláné Dr. Zán Krisztina PhD
12. Possibilities for law enforcement development in migration and alien law
Supervisor: Dr. habil. Hautzinger Zoltán PhD, university docens
13. Leadership theory, leadership models at law enforcement agencies
Supervisor: Dr. habil. Kovács Gábor PhD, university docens
14. Deployment systems and the use of law enforcement forces
Supervisor: Dr. habil. Kovács Gábor PhD, university docens
15. New challenges in the field of traffic law enforcement; Legal and law enforcement opportunities to improve road safety
Supervisor: Dr. Major Róbert PhD, university docens
16. Competence-based selection and training systems in law enforcement
Supervisor: Dr. Malét-Szabó Erika PhD, university docens
17. Law enforcement aspects of tourism security
Supervisors: Prof. Dr. Michalkó Gábor DSc, university tanár
a. Dr. Németh József PhD, university adjunktus
18. Internal and external communication of various law enforcement organizations, their development opportunities and renewal
Supervisor: Dr. Molnár Katalin PhD, university docens
19. The social role of law enforcement, the organizational culture of law enforcement, law enforcement reforms
Supervisor: Dr. Molnár Katalin PhD, university docens
20. Investigation of disaster management's administrative and management order; Improvement of operational control capability
Supervisor: Dr. Muhoray Árpád PhD, university docens
21. International law enforcement cooperation - law enforcement without borders

- Supervisor: Dr. Nagy Judit PhD, university docens
22. Relationship between migration and terrorism
Supervisor: Dr. Ritecz György PhD, university docens
23. Migration geography
Supervisor: Dr. Ritecz György PhD, university docens
24. International Tendencies of the Treatment of Offenders
Supervisor: Prof. Dr. Ruzsonyi Péter, university tanár
25. Theory and practice of cooperation in the field of justice and home affairs (Schengen integration)
Supervisor: Prof. Dr. Sallai János, university tanár
26. Implementation of the European Union Internal Security Strategy and its relation to the Schengen border control requirements
Supervisor: Dr. habil. Varga János PhD, university docens
27. Theory and practice of integrated border management. Practices in the field of EU border management and education methodology and possibilities for their national adaptation
Supervisor: Dr. habil. Varga János PhD, university docens
28. Security challenges, law enforcement models, organizations and activities
Supervisor: Dr. habil. Varga János PhD, university docens
29. Application of risk analysis and management method in the field of law enforcement
Supervisors: Dr. Ritecz György PhD, university docens
a. Dr. Csaba Zágón PhD
30. Crime prevention models
Supervisor: Dr. Gaál Gyula PhD
31. Forms, features and characteristics of organized cross-border crime
Supervisor: Dr. Gaál Gyula PhD
32. Law enforcement secret intelligence and disguised assets
Supervisor: Dr. Szendrei Ferenc, university docens
33. International and Hungarian aspects of organized crime
Supervisor: Dr. Szendrei Ferenc, university docens
34. National and international criminal law aspects of cybercrime
Supervisor: Dr. habil. Nagy Zoltán, university docens

03. RESEARCH FIELD ON THE LEGAL, CRIMINOLOGICAL AND SOCIAL SCIENCE ASPECTS OF LAW ENFORCEMENT

Head of the research field: Prof. Dr. Kovács Gábor

1. The possibilities of situational and environmental crime prevention in Hungary
Supervisor: Prof. Dr. Barabás Andrea Tünde CSc, university tanár

2. Restorative approaches in the policing
Supervisor: Prof. Dr. Barabás Andrea Tünde CSc, university tanár
3. Criminal policy in the first years of the new century
Supervisor: Prof. Dr. Blaskó Béla CSc, university tanár
4. Criminal Policy - Deed - Punishment
Supervisor: Prof. Dr. Blaskó Béla CSc, university tanár
5. The role of the investigation in criminal justice
Supervisor: Prof. Dr. Fantoly Zsanett PhD, university tanár
6. The criminal liability of the legal person
Supervisor: Prof. Dr. Fantoly Zsanett PhD, university tanár
7. The criminal liability of legal persons
Supervisor: Prof. Dr. Fantoly Zsanett, university tanár
8. Evidence theories in the world of law
Supervisor: Prof. Dr. Finszter Géza DSc, professor emeritus
9. The nature of police power
Supervisor: Dr. Fogarasi Mihály PhD, university docens
10. Dysfunctions in the theory of consciousness, antisocial behaviour, law enforcement
Supervisor: Dr. Fogarasi Mihály PhD, university docens
11. The impact of extreme stress on police operations and its physiological background during training
Supervisor: Prof. Dr. Haller József DSc, university tanár
12. Migration and aggression
Supervisor: Prof. Dr. Haller József DSc, university tanár
13. Theory and methods of forensic sciences
Supervisor: Dr. habil. Hautzinger Zoltán PhD, university docens
14. An empirical study of law enforcement agencies' child and youth protection work
Supervisor: Dr. Hegedűs Judit PhD, university docens
15. Anti-corruption measures in criminal law and administrative law
Supervisor: Dr. Hollán Miklós PhD, university docens
16. Law enforcement practices of multinational companies
Supervisor: Prof. Dr. Irk Ferenc DSc, professor emeritus
17. The role of restorative justice in public policy
Supervisor: Prof. Dr. Kerezsi Klára DSc, university tanár
18. Minorities and crime
Supervisor: Prof. Dr. Kerezsi Klára DSc, university tanár
19. Global and local security versus gender stereotypes (role of women in political conflict, terrorism and violence)

- Supervisor: Prof. Dr. Kerezsi Klára DSc, university tanár
20. The Conception of Implementation of Vision for European Forensic Science 2020
Supervisor: Dr. habil. med. dr. jur. Kovács Gábor PhD, university docens
21. The Forensic Expert Testimony in Criminal Procedure
Supervisor: Dr. habil. med. dr. jur. Kovács Gábor PhD, university docens
22. Criminology and criminal policy issues on the drug problem
Supervisor: Prof. Dr. Lévy Miklós CSc, university tanár
23. The role of criminal strategy in the fight against crime
Supervisor: Dr. Mészáros Bence PhD, university docens
24. Drug policy dilemmas - law enforcement traps (law enforcement management of drug policy)
Supervisor: Dr. Németh Zsolt PhD, university docens
25. Law enforcement and minorities: Challenges is policing multiethnic and multicultural communities
Supervisor: Prof. Dr. Pap András László DSc, university tanár
26. International cybercrime: Local issues, global approach
Supervisor: Dr. Parti Katalin PhD, tudományos főmunkatárs
27. Schengen Aquis as a system
Supervisor: Dr. Ritecz György PhD, university docens
28. Introduction into the Re-education of Criminal Pedagogy
Supervisor: Prof. Dr. Ruzsonyi Péter PhD, university tanár
29. Violent crime and terrorism
Supervisor: Dr. Sárkány István CSc, professor emeritus
30. International criminal law and international criminal cooperation
Supervisor: Prof. Dr. Polt Péter PhD, university tanár
31. Fundamental dogmatic issues: scope and jurisdiction
Supervisor: Prof. Dr. Polt Péter PhD, university tanár
32. Offenses against environment and nature
Supervisor: Prof. Dr. Polt Péter PhD, university tanár
33. Violent crimes against property
Supervisor: Prof. Dr. Polt Péter PhD, university tanár
34. Budget fraud as a crime against the Union's financial interests
Supervisor: Prof. Dr. Polt Péter PhD, university tanár
35. Prizonisation, resilience, traumatisation, burn-out, and integrity of adaptation mechanisms versus injuries of prison staff
Supervisor: Császár-Nagy Noémi, PhD
36. Innovative social research methods in criminology
Supervisor: Dr. Parti Katalin, PhD, tudományos főmunkatárs

37. Methodology of social sciences and criminology research

Supervisor: Dr. Héra Gábor, PhD, university docens
